

PIONEER TEMPLATE

To determine your strap size

TEMPLATE FOR THE FOLLOWING MODELS

- Mk I, Mk II, TachyTele, Preventor9
- MonoControl, TwinControl
- TwinDicator, MonoScope
- Racemaster GT, GTF, GTM
- Stealth 1882

INSTRUCTION

- Please print the template in a scale 1:1
- Cut the template according to the marked line pattern
- Cut a slot where it says "please cut here"
- Place on your template, pull the end through the slot
- Simply read off the scale and determine your strap size

Please note: We recommend a longer strap if you plan to wear a lower strap
